DISCIPLINARY COMMITTEE

This is to improve the discipline of the students which is a drawback in this generation. In this regard, as discussed in our previous meetings, we instructed all the students to wear aprons in the class rooms and Labs

Responsibilities:

01. These team members should visit the Canteen and surroundings of our College premises few times in a day and make sure that no student of our college must be seen outside of our college premises.
02. They should also monitor the students very carefully during the Lunch break.
03. Any misbehavior/ allegations made by the students should be controlled.
04. These team members should be more careful while warning / controlling the students as our punishment / Warning should not disturb the emotions of the students.
05. The students who do not wear an apron must get the permission slip from any of these team members. Without this permission slip the students are not allowed to attend the class.
06. No student must leave the campus (if leaving due to any reasons before the college timings) without taking permission from the respective faculty who is having class / lab works on that particular day.
